

The meeting was called to order by President Pick Jones at 7:30 p.m. in the College Inn

#### Letters

Jones read a letter from The Annual American University Intercollegiate Turtle International which contained an application for entering the Turtle International race. Jones commented that last year the MSU entry had won and had received the international prize. Dennis MOVED THAT CENTRAL BOARD APPROPRIATE \$6.00 FROM THE GENERAL FUND TO ENTER THE TURTLE INTERNATIONAL ON DECEMBER 6, 1963 ON THE CAMPUS OF THE AMERICAN UNIVERSITY, WASHINGTON, D. C. SECONDED BY ROSS. MOTION PASSED UNANIMOUSLY.

Jones read a letter from Tosh Tatsuyama of the Montana School of Religion and one of the Freshman Camp Advisors expressing his appreciation for the way the Freshman Camp was handled by the co-chairmen, Barbara Nesbitt and John Ulyatt, the other chairmen, and the counsellors, not to mention how well behaved they and the Freshmen were. He said that he had been a part of the Freshman Camp program in one way or another for the past six years, and that he had not gone out of his way to make this statement before. "So this is not a case of glorifying the obvious nor exalting the expected. It is a matter, however, of genuinely expressing an appreciation for a marked achievement."

#### Special Events

Stacy Swor, chairman of Special Events Committee, gave a financial report on the ticket sales for Henry Mancini. He said that 3,142 tickets were out.

#### Publications Board

Phil Miller, chairman of Pub Board, said a meeting had been held and that he had explained the powers of Pub Board and its relation to Central Board to the new members.

#### Student Union Report

Jim Richard, CB representative to the Student Union Executive Board, reported that the Executive Committee wanted Central Board to start the initial "push" for a new Student Union Building. He said that President Johns didn't want the vote to be just yes or no to take to the Board Regents. He also said that the Executive Committee thought that the referendum was too specific last year.

Following is the discussion by CB delegates and members of the student body present: Wood felt that an immediate referendum would be ill-timed because of the feelings left from the last referendum. Richard suggested sounding out the voting blocks on campus to find out how they feel and schedule meetings to discuss complaints and get suggestions. Schwanke suggested putting major areas of need on the referendum so that individuals could vote for what they wanted. Cole stated that the authority of an expert should have the main responsibility. Watts stated that the students felt that they were unaware of the former plans proposed the Student Union Comm. and thus did not vote for the last referendum. Pantzer said that Pres. Johns wanted to know if the students wanted a new SUB and would be willing to pay for it. He said that the Food Service needs more storage space and that the University would have to build on if the Student Union remained in the part that the students now own. He wants a decision so that he will know what to do about the Food Service. Swor stated that the students should be given a chance to tell what they want in a Student Union and that the opposition should be aired completely. Wood said that the married students should also be included in the discussions. Bowler asked why Central Board should handle the campaign. Pantzer stated that technically the Student Union Comm. shouldn't be campaigning for a new SUB but that CB as representatives of the students' interests should be leading in the Student Union referendum. Ulmer moved that CB vote to vote for a "vote of confidence" regarding the SUB. Seconded by Schwanke. Dennis stated that before CB give a "vote of confidence" that the students and CB members should be more

informed. Ulmer withdrew his motion and Schwanke his second. Cogswell said that the Student Union Comm. should present programs and plans and that a Student Union Building is one of the most important needs on a campus. Pantzer concurred with Cogswell and said that since CB was representing the students that CB should do something regarding a SUB if it felt the need. Dennis said that we needed a new SUB but what kind, what type of facilities, payments, and how long would it last? Ross stated that we needed a new SUB and that we should start the campaign right away. Ulmer stated that we need a new SUB and that we should keep positive the attitude of the new Freshman class. Richard is for a practical and economical SUB and that if a referendum is passed, that students should be kept well informed as to the plans. Kositzky said that a new SUB was needed and that the element of time is not as important if the plans are right and durable for MSU--one that meets the Students' needs. Bowler stated that a new SUB was essential on the campus but that beyond student opinions, the proper authorities who know more about SUBs than the average student should be the deciding power in the plans. Schwanke said that CB should take the responsibility in campaigning for a new SUB with the plans and complete support of the SU Comm. Cole reiterated that we need a new SUB and that the students should be polled as to their desires. Watts recognized the need for a new SUB but thought that there should be more publicity before CB takes a stand. Assleatine said that CB should set a precedent in working for a new SUB. Speck also stated that we needed a new SUB because the Student Union this year has a good program and that it should have the proper facilities with which to work. She also said that we should invite opinions through the KALMIN. Jones also agreed that we need a new Student Union Building and that we should show the students what we have to offer in the way of a Student Union program. ROSS MOVED THAT CENTRAL BOARD RECOMMEND TO THE STUDENT UNION EXECUTIVE COMMITTEE TO BEGIN AN INFORMATIVE AND AFFIRMATIVE CAMPAIGN TO INFORM STUDENTS REGARDING THE NEED OF A NEW STUDENT UNION BUILDING. SECONDED BY SCHWANKE. MOTION PASSED (10-0-1) WITH WATTS ABSTAINING.

#### Budget and Finance

Kositzky reported that Budget and Finance approved the budget for the General Fund. KOSITZKY MOVED THAT CENTRAL BOARD ACCEPT THE BUDGET FOR THE GENERAL FUND. SECONDED BY SCHWANKE. MOTION PASSED UNANIMOUSLY. Budget and Finance Comm. also approved to underwrite the All-School Show not to exceed \$4,000 with the stipulations; 1)a good business manager be appointed, 2)a notice should be put in the KALMIN for applications for a business manager and 3)more consideration should be given to the School of Fine Arts' recommendations. Keith Nichols felt that the show would lose money and that too much money had been appropriated in the tentative budget for several things. Kositzky stated that the budget presented was tentative and a gross budget and that the selected business manager would work with Dean Bolen to work out the final budget to present to CB for a final vote. RICHARD MOVED THAT CENTRAL BOARD SHOULD UNDERWRITE THE ALL SCHOOL SHOW FOR NOT MORE THAN \$4,000 AND THAT IT SHOULD CONSIDER THE THREE STIPULATIONS GIVEN BY BUDGET AND FINANCE. SECONDED BY SCHWANKE. Ross stated that CB's concern was a monetary concern and that the Fine Arts School had already publicized for the show that they had recommended and that the third stipulation was invalid. MOTION PASSED (8-0-3) WITH BOWLER, ULMER, AND ROSS ABSTAINING.

Schwanke asked what had been done about the money that CB had allocated for the repair of the ice rink. Pantzer stated that the engineers had said that the repair was possible within the money allocated but that it wouldn't be available for use this fall quarter.

#### Old Business

Ulmer reported that he had talked with Mr. Krieger regarding a commuters' parking lot.

Page 3--Central Board--October 9, 1963

Krieger stated that there was parking available in the Field House parking lot and that it would be plowed all winter.

Jones reported that he had talked to the Mayor of Missoula about the yellow parking zones that had been painted on Arthur Avenue. The mayor said that it was done for safety purposes and to speed up the movement of traffic along Arthur. Pantzer said that there was a possibility of cutting into the gravel on the parkings for angle parking. However, it would cost a lot of money.

New Business

DENNIS MOVED THAT CENTRAL BOARD GIVE THE 1963-64 HOMECOMING QUEEN A \$50 SCHOLARSHIP AWARD. SECONDED BY RICHARD. MOTION CARRIED UNANIMOUSLY.

Cyrile Van Duser asked for all the CB member and officers and committee shairmen to fill out an information card for the hometown newspapers.

Miller stated that the SENTINELS would be distributed by October 22.

Jin Erickson stated that Don LaBar had been named chairman of the committee to obtain a train for the Bobcat-Grizzly game.

Respectfully submitted,

*Bonnie Bowler*

Bonnie Bowler, ASMSU Secretary

Present: BOWLER, JONES, KOSITZKY, RICHARD, ROSS, ULMER, WATTS, SPECK, SCHWANKE, DENNIC ASSLESTINE, COLE, Cogswell, Pantzer, Swor, Miller, Wood, Saylor, Rose, Nichols.

Absent: MacDONALD
